B.E. - Computer Engineering

Ph: +91-7767979120

Email: btstaehyung059@gmail.com

Pune, Maharashtra, India - 411028

## BRIEF SUMMARY

As a third-year Computer Science student, my career objective is to leverage my education and passion for data science to embark on a rewarding career in the field. With a strong foundation in programming, statistics, and machine learning, I aim to apply data-driven approaches to solve real-world problems and drive innovation. Through continuous learning and practical experience, I aspire to contribute to the development of impactful solutions that positively impact society while advancing my skills and expertise in data science. I am particularly passionate about leveraging SQL and Python to extract, analyze, and visualize data, and I aspire to apply these skills in real-world scenarios to solve complex problems. With a solid foundation in programming and statistics, I am eager to delve deeper into machine learning and predictive analytics, exploring new methodologies and techniques to uncover hidden patterns in data. Through hands-on projects and continuous learning, I aim to become a proficient data scientist

## KEY EXPERTISE

Data Science Python SQL Data Visualization Statistics

## EDUCATION

### Ajeenkya D Y Patil School of Engineering - ADYPSOE

2021 - 2025

B.E. - Computer Engineering | CGPA: 7.56 / 10

### Mahaveer English medium school and Junior College, Pune

2021

12<sup>th</sup> | MSBSHSE | Percentage: 85.17 / 100

### The Lexicon School, Pune

2019

10<sup>th</sup> | CBSE | Percentage: 94.20 / 100

## INTERNSHIPS

### JohnDeere India Private limited | IT / Computers - Software

11 Sep, 2023 - 10 Nov, 2023

Software Tester

During the internship at John Deere, the focus was on software testing, particularly in the context of ServiceNow applications. Utilizing tools such as JMeter for performance testing and Selenium with Python for automated web testing, the objective was to ensure the functionality, performance, and reliability of ServiceNow platforms. Test scenarios included user authentication, form submissions, and workflow automation, allowing for an assessment of ServiceNow's responsiveness and scalability. The internship provided valuable insights into testing methodologies and tools, emphasizing their importance in maintaining quality assurance and optimal performance in enterprise environments.

## ASSESSMENTS / CERTIFICATIONS

### Data Visualization with python

Key Skills: Data Visualization Data Science Python

### Python

Key Skills: Data Science Python

### Databases and SQL

Key Skills: Databases SQL

### Data analysis with python

Key Skills: Python Data Analysis

## PERSONAL INTERESTS / HOBBIES

- Sketching, Badminton, Art&Craft

PERSONAL DETAILS

**Gender:** Female  
**Marital Status:** Single  
**Current Address:** 1102/E, The Orchard housing society, Satav Nagar, Handewadi road, Hadapsar., Pune, Maharashtra, India - 411028  
**Emails:** btstaehyung059@gmail.com , mahadiksallu@gmail.com

**Date of Birth:** 04 Aug, 2003  
**Known Languages:** English, Hindi, Marathi, Japanese  
**Phone Numbers:** +91-7767979120, +91-8600946774
